Dear Sirs,

I am very dis-
pleased at the idea of
putting affordable housing
in the place of the New
Music School. My son feels
the same way. He plays
basketball there. Next year
you are expected to have a
deficit; yet you contemplate
more spending ???!! at the
same time the state will be
giving you less money!!

Incredible!

If you succeed in putting people on drugs ~~and other~~ and people who misbehave in other ways in my Neighborhood (one of the few nice neighborhoods left in Cambridge) you will
destroy the tax base.

Please DO NOT PUT

AFFORDABLE HOUSING IN

MY NEIGHBORHOOD. KEEP

It all in Central Sq. Since you, liberals, don't believe in capital punishment + other stricter punishment for criminals please keep them all together.
