IN CITY COUNCIL

April 7, 1986

COUNCILLOR WOLF
COUNCILLOR D. SULLIVAN

- WHEREAS A nuclear war would result in death, injury and disease on a scale unprecedented in human history; and
- WHEREAS: Spending for the arms race is contributing to record budget deficits that threaten our nation's economic security while programs providing essential assistance to communities throughout the country are being cut back; and
- WHEREAS: A ban on nuclear testing would promote the security of the United States by constraining new developments in the U.S. - Soviet nuclear arms competition and by strengthening efforts to prevent the spread of nuclear weapons to non-nuclear countries; and
- WHEREAS: A ban on nuclear testing would be a concrete and easily achievable first step towards a complete halt and deep reductions of ever-expanding nuclear arsenals; and
- WHEREAS: A ban on nuclear testing can be verified with high confidence by a world-wide network of seismic monitors, satellites and other verification technology operated by the United States and other nations; now therefore be it
- RESOLVED: That the Cambridge City Council calls upon the President to immediately respond to the the Soviets' unilateral halt of testing as a first step towards freezing and reversing the arms race. This body also calls upon the members of our Congressional delegation to support legislation that would enact a moratorium on nuclear testing, to be continued as long as the Soviets do not test; and be it further
- RESOLVED: That copies of this resolution be forwarded to the President and to the Senators and Representatives comprising our congressional delegation.

In City Council April 7, 1986.

Adopted by the affirmative vote of 8 members.
