Dear Ken,

Here is some information about Jason. Hope it is helpful. Feel free to call us with any questions, 891-0311.

Hope you are having fun at the reunion!

Jessy

Jason is seventeen years old and a recent graduate of Weston High School. He will be attending Boston College in the fall, majoring in Computer Science. Jason plans to pursue a career in medicine.

In high school, Jason was very involved in school activities. He enjoyed playing soccer and was Co-Captain of the varsity soccer team during his senior year. He was also a member of the Asian Student Union. In his involvement with this student organization, Jason helped organize an Asia Night, where Weston high school celebrated the rich culture and tradition of different Asian countries, including India. These type of events are especially important in towns that are so homogeneous. Jason's involvement in this group also helped him to explore issues of identity and dual-consciousness in the lives of second generation immigrants.

Jason is an important part of our family. He is a big brother to all his brothers and sisters, including me. We will miss him next year and are lucky he is so close by.
