A Dedication to
Marguerite Catherine Turner

Marguerite C. Turner was born in Everett but was a lifelong resident of Cambridge. A graduate of the University of Massachusetts, she worked as a nutritionist throughout the community for many years. She was a dedicated and devoted community organizer who sacrificed many hours of volunteer service in the planning of the renovation of Jefferson Park Housing Development. A function room within the housing facility has been dedicated to her. She was also an active member of Our Lady of Pity Church where she served in the church's women society. After she retired she took up the gift of writing and developed into a poet. Her strong faith, her personal strength and love, and her outstanding character lives on in those who knew and loved her. The family and the City of Cambridge would like to thank all those in attendance for sharing in this wonderful dedication.
