RE: \$26 MILLION OWED IN BACK RENTALS

DT: May 27, 1986

PRIORITY

Thank you for your interest in helping Middlesex County to obtain back rental monies. Your city or town has a viable interest where these monies are concerned, especially when we consider the potential use of these funds to address your municipality's needs.

We now urge you to join us in developing a strategy that will assure receipt of these back rentals. Please mark your calendar for **June 12, 1986 at 7:00 P.M.** in the Commissioner's Hearing Room, 40 Thorndike Street, East Cambridge.

It is our hope that, with your help, we can develop legislation at this meeting which will not only assure our settlement of rentals owed, but also allow us to share this \$26 million with the cities and towns in Middlesex County as a one-time allotment.

At this meeting we will also be prepared to inform your city/town representative the amount of the potential monetary bonus you will receive;

PLEASE RSVP at the above number and let our Program Department know the name of your city/town representative who will be attending. At this time we can answer any additional questions or provide you with further information.
