CAMBRIDGE, MASS.

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

I am petitioning for a curb cut because I feel I am being harassed. I have lived at 71 Tremont St. for 2 months. During this time, my car has been vandalized on 5 different occasions. First, I lost a calculator and C.B. radio when someone broke into my car; I was away from the car for only 15 minutes. The second time, my antenna was stolen. In the third incident, a tire was slashed. The fourth time, air was let out of a tire. Fifth, and most recent, my antenna bracket, which was attached by 4 bolts, was taken.

I have a light outside my door which remains on all night. It clearly illuminates the area in front of my home, but it evidently is not much of a deterrent. I am asking for this curb cut so that I can protect my own property by placing my automobile in the yard behind a locked fence. There are groups of kids that hang around the corner of my street, and I have had difficulty keeping them off my car. I cannot prove that they are responsible for the damage, but the problem is becoming more serious.
