To the Honorable, the City Council:

In response to City Council Order No. 19 of April 28, 1986 regarding Rafferty Playground located at the rear of the Sancta Maria Hospital, I have instructed Public Works to install signs (see attached) prohibiting public access to the playground after dusk. These signs are currently being installed at parks and playgrounds throughout the City. In addition, I have attached a report from Police Chief Paolillo who has agreed to increase patrol checks at the Rafferty Playground.

Very truly yours,
