Dear Mr. Mayor:

We have had the privilege of having Ms. Jill Herold, Assistant City Manager for Human Services, as our guest speaker tonight. After her informative and enlightening talk on "Health and Human Services in the 1980's in the City of Cambridge", the members of the Economy Club wished to make it known to you and her Managers that she presented an excellent talk. She presented the City of Cambridge in a most favorable light, and made us keenly aware of the difficult problems that the City faces in the area of Human Services. Rather than talking in generalities, she told us about specific programs and initiatives that the City of Cambridge has undertaken to meet the problems of the elderly, the homeless, and the aged. We think she is a marvelous spokesperson for the City of Cambridge and she should be complemented. Please inform her managers of the excellent job she is doing.
