Cambridge, Massachusetts

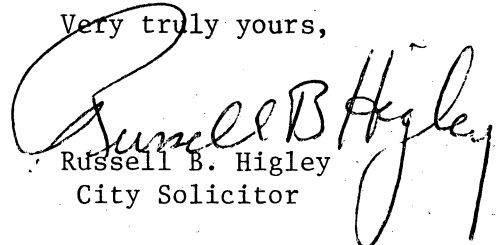

Dear Mr. Vickery:

You have asked my opinion as to whether the amendments two through five to the new proposed zoning ordinance are substantive changes and hence require a hearing by the Planning Board.

It is my opinion that amendments two through four do not have substantive changes but amendment five would make substantive changes to the proposed ordinance.

It is, therefore, my opinion that amendment five be referred to the Planning Board for hearing.

Very truly yours,

Russell B. Higley
