To the Honorable, the City Council:

With respect to Awaiting Report Item No. 2 regarding the status of the Russell School, please be advised that it is my understanding that the School Committee, under whose jurisdiction the building remains, is considering a vote this week to rehabilitate the building for use as the site of the Fundamental School. This is different from their earlier vote to rehabilitate it for administrative offices, a project that the Superintendent was discussing with the neighborhood.

Very truly yours,

James L. Sullivan
