To The Honorable, The City Council:

In response to Awaiting Report Item No. 25, and Awaiting Report Item No. 62, regarding the railroad tracks on New Street, please be advised of the following:

Railroad construction on this crossing began on Wednesday, October 24, 1990 and was completed on Friday, November 2, 1990. The City has scheduled the final paving of this road for Thursday, November 8, 1990.

Assuming weather conditions do not preclude this from taking place, the crossing will be fully operational by Friday, November 9, 1990.

Very truly yours,
