Dear friends,

I would like to go on record as favoring the establishment of the Half Crown Neighborhood as a conservation district. One of the most faithful members of our church, Mrs. Elinor Cleary, lives in that neighborhood at 16 Gerry Street. I urge you to save the homes of people like Mrs. Cleary. These are the kind of people who support the local institutions of Cambridge and make it such a fine city. We need them.

Sincerely yours,

Edward L. Mark
