

City of Cambridge

30.

IN CITY COUNCIL

November 23, 1992

MAYOR REEVES
VICE MAYOR CYR

WHEREAS: Computer technology has helped to transform the world, helping people in almost every nation achieve a greater level of productivity effectiveness and efficiency; and

WHEREAS: ADMINS/V32 is a widely used fourth generation computer programming language, which was developed and marketed by ADMINS INCORPORATED of Cambridge; and

WHEREAS: The 7th Annual ADMINS International Users Group Conference was held in Cambridge from November 4-6, 1992. Representatives came from as far as Australia, Denmark, Norway, Sweden, and from all regions of the United States.

WHEREAS: Conference participants enjoyed a program that not only exposed them to geographic information systems, real estate appraisal systems, and other latest technologies related to the use of ADMINS language, but also received souvenirs and other information to make their stay in Cambridge memorable; and

WHEREAS: Valerie Roman, Director of Data Processing for the City of Cambridge, is Vice President for ADMINS International Users Group, and was the principle host and coordinator for the conference; and

WHEREAS: The 7th Annual Conference was a great success, bringing smiles and much information to visitors from near and far; now, therefore, be it

RESOLVED: That the Cambridge City Council commends and congratulates Ms. Valerie Roman for her hard work and hospitality in organizing the 7th Annual ADMINS International Users Conference.

In City Council November 23, 1992.

Adopted by the affirmative vote of eight members.

Attest:- D. Margaret Drury, City Clerk.
