Cambridge, April 29th 1874

To the Honorable, the Mayor and Aldermen,
of the City of Cambridge

~~The undersigned respectfully prays~~ Gentlemen.

Some four years ago the undersigned when erecting my buildings in Brattle Square perceived the necessity of a wider sidewalk on my side of the square - (The old sidewalk being about three feet wide) consequently I threw 8.80 feet into the sidewalk thereby making a good wide thoroughfare. Since that time all the other corners have been taken by the city in said Brattle Square and the owners paid for the land. And I have been assessed for betterment on the same. I herewith submit to you a plan and survey by W. A. Mason of my land in the sidewalk and wish you to examine the same and determine whether public safety and convenience require it. And if so I trust you will pay me for my land before I am obliged to pay for like improvements on my neighbors premises -

T. H. Brewer.
