Dear City Council Members:

I am writing to let you know of my support of the proposed redevelopment of the Neville Manor Nursing Home into an affordable assisted living facility and a new skilled nursing home.

It is my opinion that the proposed facility would continue Neville Manor's mission of providing affordable housing to elderly residents and to allow senior citizens to live independently in the community.

Neville Manor is currently due for change in its present form and the proposed redevelopment would provided the necessary refurbishment of this outdated facility.

Thank you for your attention to this matter.

Sincerely,

Norine M. Philipp
