

Cambridge, October 10, 1991

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

On behalf of the Socialist Workers Party I would like to request that the City Council grant permission for literature tables to be set up at Harvard Square and Central Square on Saturdays from 10:30 AM until 3:00 PM and on weekdays from 11:00 AM until 6:30 PM. The Boston Socialist Workers Party has been politically active in the metropolitan area for many years and has participated in numerous campaigns for public office. The tables would be distributing election campaign materials as well as books, pamphlets, and periodicals describing our political program and activities. While we don't anticipate having a table for the entire time requested, the above time slots would insure us the flexibility we need to be able to carry out this form of activity. I would be happy to answer any questions that you may have and can be reached at 247-6772.

Sincerely,

—Andrea Morell
