THE COMMONWEALTH OF MASSACHUSETTS, DEPARTMENT OF PUBLIC UTILITIES, BOSTON, February 11, 1974. D.P.U. 17930, Petition of New England Telephone and Telegraph Company for determination by the Department of Public Utilities that public convenience and necessity require locations for underground conduit and cable with manhole in a public way under the care and control of the Metropolitan District Commission in the City of Cambridge; namely, Monsignor O'Brien Highway, beginning on the northerly side of said highway at existing manhole numbered 26/192A and proceeding 100 feet easterly to a proposed manhole on the northerly side of said highway and from the proposed manhole numbered 26/192B southeasterly for 50 feet to an existing telephone conduit that proceeds easterly to the Boston-Cambridge line, to be used for the transmission of intelligence by electricity and to be owned by the Petitioner, all as more particularly shown on plans on file with the petition in the Department. Upon the foregoing petition, the Department of Public Utilities will hold a public hearing at its hearing room No. 1210 Leverett Saltonstall Building, 100 Cambridge Street, Boston 02202, on Tuesday, the 5th day of March 1974 at 10:00 o'clock in the forenoon. And the petitioner is required to give notice of said hearing by publication hereof once at least 14 days prior to said date in the Boston Herald-American, The Boston Globe and the Cambridge Chronicle, to serve a copy hereof, by registered mail, at least 14 days prior to said date on the Mayor, City Clerk and Chairman of the Planning Board of the City of Cambridge and on the Commissioner of the Metropolitan District Commission, and to make return of service and publication at the time of hearing. By order of the Department.

FRANCIS J. HICKEY, JR., Secretary.
