CAMBRIDGE, MASSACHUSETTS 02139

EXECUTIVE DEPARTMENT
JAMES L. SULLIVAN
City Manager

April 2, 1979

To the Honorable, the City Council:

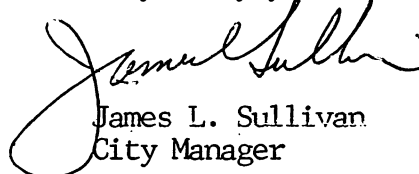

The City's annual Grantee Performance Report for our Federally-funded Community Development Block Grant Program is transmitted herewith for your information.

Because the Grantee Performance Report follows a rigid H.U.D. format—and is intended principally to serve H.U.D. in its own evaluation of our program—the information-value of the report's content will be found less than satisfactory. As you will note in the report's letter of transmittal (fourth paragraph), we hope to change this in the future. However, I believe that your Honorable Body will find at least the following pages of this year's report readable and useful:

Part I	- <u>Progress on Planned Activities</u>	Pages 1 - 11
Part II	- <u>Recipient Assessments</u>	Pages 82 -93
Part III	- <u>Housing Assistance Provided</u>	Pages 94 - 101
Part VI	- <u>Citizen Participation</u>	Pages 126 - 127

Should questions about this report or other aspects of the City's Block Grant Program arise, please contact David R. Vickery, Assistant City Manager for Community Development, at 498-9034.

Very truly yours,

James L. Sullivan
City Manager
