Subject Council Order #8 - Councillor Russell - 5/18/87
Re: Cleaning along Golf Course/Comeau Field

The area along the fence of the golf course on Huron Avenue was cleaned on June 3, 1987. The Concord Avenue side is under construction at the present time which should help us keep the area clean.

At the present time the area along Rindge Avenue is under construction. The area at the Bus Stop is a staging area for construction. When the work is completed we will try to keep this area clean.
