To the Honorable, the City Council:

In response to Awaiting Report #34 regarding vehicles at the Department of Public Works, please be advised of the following:

The Department of Public Works (DPW) currently has 130 active, registered vehicles. These vehicles range from dump trucks and rubbish packers, to pick-up trucks and sedans. Of these 130 vehicles, 22 are personally assigned to DPW employees (supervisors and highway foremen); 19 of these are taken home on a regular basis.

Only the pick-up trucks and sedans are personally assigned. Attached is a list of all of the DPW pick-up trucks by division, as well as a comprehensive list of the vehicles that are taken home.

Very truly yours,

  
Robert W. Healy  
City Manager
