POLE AND CONDUIT COMMISSION

October 22, 1954

Mr. John J. Curry
City Manager

Dear Sir:

Relative to your letter of October 19 1954, covering an order passed by the City Council on October 18, 1954, "That the City Manager be and hereby is requested to direct the Pole and Conduit Commission to remove the pole in front of premises No.53 Ellery Street":

I have talked with the Pole and Conduit Commission regarding the matter in question and find that the location for this pole was granted in 1911, and in order to remove said pole, it will be necessary to hold a public hearing, of which the neighbors, abutters and the telephone company will be notified.

Steps are being taken to proceed with this matter.

Very truly yours,

Chairman
