Mr. Joseph Connarton
City Clerk
Cambridge, Mass.

Dear Mr. Connarton:

We are a group of Cambridge residents & taxpayers in Area II & VI, (Prospect, Harvard, Broadway) who are very concerned about the construction of a Teen Center on the site of Sennott Park.

We would like to address the City Council on this issue at the next meeting of July 29, 1991.

Please place us on the Council agenda at this meeting.

Thank you,

Mary C. Daly
