

Cambridge, Dec. 15. 1868

To the Honorable, the City Council,
of the City of Cambridge.

The undersigned respectfully pray that Western Avenue,
may be folloed upon its northern side, between
Howard and Putnam Streets, so as to be of the
full width of sixty-six feet as said Avenue
was laid out by the City in 1853.

The present condition of said Avenue is incon-
venient for travellers and injurious to property
in the neighborhood.
