Whereas Somerville is a very fine community, but it is not a match for Cambridge,

Whereas there is a tradition established in the city that on an annual basis a softball game is played between the two cities, which is known as the Mayor's cup

Whereas last year the city of Cambridge prevailed over the City of Somerville, and the same result is anticipated this year,

Whereas Somerville has had a change in administration and can not be taken too lightly

Therefore be it resolved that the Mayor of Cambridge is hereby requested to let her team members know well enough in advance of the date of this important contest, so that all interested parties will be present for this occasion
