Dear Mr. Corcoran:

In regard to the City Council Order regarding the installation of traffic signals at the intersection of Garden Street and Walden Street: I wish to inform you that this is one of the intersections that is now under contract in the TOPICS program, but due to some legal technicality between the contractor and the State Department of Public Works, it has been delayed. As soon as the State resolves this problem, the contractor will start construction.

Very truly yours,

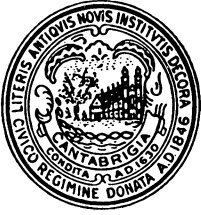

George Teso
