To The Honorable, The City Council:

I am hereby requesting the appropriation of \$197,000 from the Parking Fund to the Public Investment Fund Traffic, Parking & Transportation Extraordinary Expenditures Account to provide funds for the acquisition and installation of school zone flashing signals at each of the City's 14 elementary schools. This appropriation will enable the Traffic, Parking & Transportation Department to complete this project in one phase rather than the original proposal to phase in the signals over a three-year period. It is expected that this project will be completed for the opening of school in September of 2000.

Very truly yours,

Robert W. Healy
City Manager
