Subject Parking on Porter Road

I have been in contact with the residents of Porter Road concerning their parking problem and after meeting with them and studying this area, it was our determination that the patrons of the restaurants in the Porter Square Area are parking on these residential streets especially during the evening hours and the worst nights are Friday and Saturday.

The Traffic and Parking Department is enforcing the parking laws in this area during the daytime and after meeting with the police department, they have informed me that they will be tagging these streets during the evening.
