197 VASSAL LANE, CAMBRIDGE, MASSACHUSETTS 02138

To the Honorable Members of the Cambridge City Council:

We the undersigned staff members support the continuation of David Kiely in the position of School Adjustment Counselor at the Tobin School. David Kiely not only provides SAC services for students with Individualized Educational Plans, but also services any Tobin Student when in need of counseling support. Our student population at the Tobin School will be over 700 next year, with a new administrative team of Principal and Assistant Principal. David Kiely is an integral part of our school community. He is a dedicated professional and an asset to the Tobin School. We hope that the School Committee will support the continuation of the Student Adjustment Counselor position and the retention of David Kiely at the Tobin School.
