Honourable Elected Councilours and MAYOR WALTER A SULLIVAN:

I would have it be understood and read into the minutes of the next City Council Meeting that the name of this clergyman, Bible Fundamentalist, Albert E. Bates of 401 PUTNAM Avenue, Cambridgeport, Cambridge, Massachusetts, did not in any way petition the City Council to condone the activities scheduled for OCTOBER 15, 1969 CALLING OF THIS ACTIVITY THE 'DAY OF MORITORIUM FOR THE VIETNAM WAR.'

The reason for this and wanting it read into the City Council Record is the fact of the Press reporting the action of the City Council had no opposition to this motion by any clergyman within the City Limits. Be it understood, both by this letter, and by actively showing example to the Citizens of Cambridge with the Victory in Vietnam. I cannot condone this action and, I feel that those who have chosen to do this piece of dirty work to the Council have ~~either~~ overstated an argument for passage or the City Council has failed to realize that the press of the Socialist Worker and the Daily World (the daily newspaper of the Communist Party, USA) delight in using Cambridge as a bull-whip or a test of how well they are achieving in their plans to overtake this Nation.

My Bible tells me to 'Render to Ceaser the Things that Belong to Ceaser and Render to God the Things that Belong to God.' I can also call to the attention of the City Council that the Bible states, 'Neither call anything that is Evil Good or anything that is Evil Good.'

Thanking you for reading into the Minutes of the City Council.
