Subject: Re: Marriage Records returned to the City Clerk's Office.

To Whom It May Concern:

Enclosed you will find a list of the marriages performed by Rev. Wells B. Grogan, a study of the enclosure indicates the marriage records (form R-103) which were not received by this office. You will note that the record which were not received are indicated with the word "NO" appearing on the list.

Will you kindly take the necessary action to comply with the regulation of the law and to furnish the requested records to this office.

As you can appreciate if a request for one of the records is made in the office we would be unable to supply the necessary information.

Very truly yours,

Paul E. Healy,
City Clerk.

Mr. Leary: City Clerk

Massachusetts Avenue
Cambridge, Mass. 02138

Dear Mr. Leary:

Why I fear the sin of omission so much on this I cannot say. Somehow, I developed the feeling awhile back that of the list of marriages attached (these are all marriages in which neither bride nor groom was a resident of Cambridge) there might be a few in which I did not return a R-103.

If you would have one of the secretaries check through, I think you will find most of them were properly submitted. Sorry for putting your people to this difficulty.

Thanks for your help on this.

Very truly yours,

Wells B. Grogan

Mr. Healy:

Here is the list of marriages from Rev. Grogan. It arrived Friday.

I went through the list just to get an idea of how many are missing.

I know there is nothing we can do right now but thought you should know it came in. I will have to double check on the ones that are missing.

There are 45 on the list.

We have 34 of these marriages.

11 are missing.

There will probably be the question of Delayed Marriage returns. He is away until the Fall of 1974. We have no address on him but I'm sure we could obtain that from the church.
