

Cambridge June 18<sup>th</sup> 1873

To his Honor the Mayor and board of Aldermen of the City of Cambridge. The undersigned would most respectfully represent to your honorable body that the line of Austin street at its junction with Main street as defined by the City Engineer, takes not only a part of his land, but cuts through the foundation wall - and as he is now awaiting the action of this City Government preparatory to altering said building and as each days delay at this season of the year is of considerable consequence to the undersigned he therefore prays that you decide either for or against the taking of said part of his estate, and if your Honorable Body should decide to take said land, will you have the kindness to state the amount of compensation, for said amount taken that I may be prepared to act and go forward with my contemplated improvements, and for your promptness

in answering. The humble prayer
