April 12, 1983

Mr. Skip Whyte, Jr.
Can Am Sailcraft, Inc.
48 Charles Street
Cambridge, MA

Dear Mr. Whyte:

Pursuant to the request of the City Council at its meeting of April 11, 1983, I am writing to inform you that the Council took no action on your petition for a sign at the premises numbered 48 Charles Street.

The City Council took this action in connection with an order that the membership adopted on March 21, 1983 with regard to standards for signs throughout the City. Enclosed for informational purposes you will find a copy of said order.

If you have any further questions in connection with this matter, please contact this office at 498-9017. Your kind attention in this matter will be greatly appreciated by both this office and the City Council.

Very truly yours,

A handwritten signature in dark ink, reading "Paul E. Healy", is written over a horizontal line. The signature is fluid and cursive, with the first name "Paul" being the most prominent.

Paul E. Healy, City Clerk.

City of Cambridge

(Amended Order No. 4)

COUNCILLOR CLINTON
COUNCILLOR DANEHY
COUNCILLOR DUEHAY
COUNCILLOR GRAHAM
VICE MAYOR RUSSELL

IN CITY COUNCIL
March 21, 1983

- WHEREAS:** Existing sign regulations inadequately communicate the desire of the Cambridge City Council for signs of distinctive quality; and
- WHEREAS:** Existing sign regulations and issuing procedures signify that projecting signs are easily obtainable from City Council; therefore be it
- RESOLVED:** That the Cambridge Planning Board be requested as quickly as possible to submit for its consideration to the Cambridge City Council whatever new ordinances and regulations are necessary to achieve the following:
1. Any proposed new ordinances or regulations must apply only to new signs. They must not retroactively apply.
 2. All signs must be flat against the surface of the building, not projecting (except insofar as this would conflict with state law which takes precedence).
 3. The dimensions of the sign should be appropriate for the surface on which the sign is going.
 4. Design review be instituted and provided.
 5. Design assistance be given to small business people who need such help.
 6. The building department and the community development department shall work together in granting required approvals: the building department being responsible for dimensional requirements and the community development department being responsible for design requirements.
 7. No new jobs shall be proposed within either department to implement these new ordinances and regulations.
 8. Anyone who is rejected may appeal design (not dimensional) considerations to the City Council. The City Council shall require that the appeal be first heard by the Planning Board which shall forward its decision and recommendation to the City Council in time for the appeal hearing.

and be it further

RESOLVED: That this order shall take effect as of March 21, 1983.

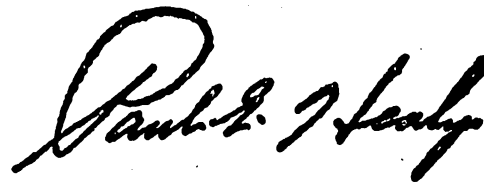

In City Council March 21, 1983.

Adopted as amended by the affirmative vote of
9 members.
