Please Save Our Park!

Dear Rob Steck,

We are writing to you regarding Lopez Street Playground. We are the parents, daycare providers, children & neighbors, that come to this park.

The problem is that Lopez Street Playground seems to have been forgotten. There are many repairs & improvements that need to be done.

- 1) The sand needs to be replaced. It has become a big litter box for dog and cat feces.
- 2) The wood structure needs to be repaired or replaced, it is old and falling apart & causes splinters when the children climb on it.
- 3) The swings need to be repaired & the missing ones replaced.
- 4) The pavement needs to be taken out and replaced with something softer.
- 5) The benches need to be replaced, you cannot sit on them without getting splinters.
- 6) The bushes and grass need to be trimmed & cleaned.
- 7) Sprinklers and a small storage shed would be a nice addition to our playground.

Many calls have been made to the Parks Dept. just to have the park cleaned & many times we have cleaned it ourselves. We are aware of Preventive Maintenance Money, so lets put it to good use and not watch this playground deteriorate anymore. Please don't let this continue.

Thank You  
Friends of Lopez Street Playground
