Trees on Bridge St.

City of Cambridge.

In Board of Aldermen, May 10th 1871

The Committee on Roads and Bridges to which was referred the Petition of A. C. Sanborn and Others that Blue Trees may be set on Bridge Street, have considered the same and would respectfully Report:

That by an Order passed last year Mr White was authorized to set out Trees in any of the public Streets whenever the abutters were willing to pay the sum of three dollars for each Tree, and as many citizens are paying that sum for this purpose this year, in the opinion of your Committee it is inexpedient to grant the accompanying Petition and would recommend that they have leave to withdraw.
