

City of Cambridge

2

IN CITY COUNCIL

March 8, 1938.

WHEREAS:-

We are approaching the time when floods become prevalent by reason of spring freshets, swollen rivers, etc. and

WHEREAS:-

Cambridge has been particularly fortunate in past years, by reason of its geographical location, in escaping the conditions incidental to floods of greater or lesser degree, and

WHEREAS:-

An ounce of prevention is worth a pound of cure, even though the possibility of a catastrophe is remote, it is

ORDERED:-

That the City Engineer be and hereby is requested to make a survey of the city with regard to the facilities of our storm sewerage system and its ability to take care of overflows or sudden rain storms which can and often do happen at this time of year.

City Council MAR 8 1938

Adopted by the affirmative vote

of 15 members

Frederick H. Buske City Clerk

City of Cambridge.

MAR 10 1938

Presented to the Mayor

for approval.

Frederick H. Burke

City Clerk.

1

March 8, 1938.
