Re: Support of Strengthening the City's
Rental Housing Removal Ordinance

Dear Councillor Sullivan:

The Wellington-Harrington Citizens Committee is the program advisory committee for neighborhood stabilization in the Wellington-Harrington Area.

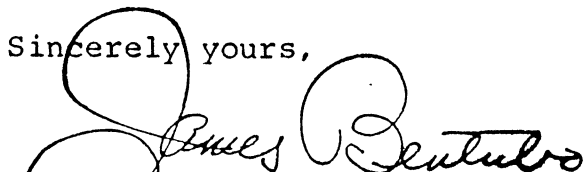

Our organization is concerned with protecting the private rental housing market for low to moderate income people of Cambridge and for preventing conversions or other actions that cause tenants to lose their rental units.

We all know how difficult it is to produce rental housing to meet the needs of the people of Cambridge.

The Wellington-Harrington Citizens Committee supports the Rent Control Committee's efforts to strengthen regulations protecting tenants from removal by conversions, demolitions or other actions.

Thank you for the Committee's efforts on behalf of the people of Cambridge.

Sincerely yours,

James Bentubo
Chairman

Comm. from the Wellington/Harrington
Citizens Committee re: support for
strengthening the City's Rental Housing
Removal Ordinance.
