Dear Counselor Michael Sullivan:

First of all, We would like to thank you for attending our installation of officers. We always enjoy your company.

Just asking if the City of Cambridge has any tree re-planting program? Both trees in front of our facilities were destroyed by storms and never replaced. It has been this way for several years. In fact one still shows the stump.

If you could help us get them placed, it would eliminated the dirt squares that the dog owners are getting their pets to use. Again, thank you!!!
