To the Honorable, the City Council:

In response to Awaiting Report #44 of July 30, 1990 regarding arson in the City of Cambridge, please be advised of the following:

Both the Police Chief, Anthony Paolillo, and the Fire Chief, Thomas Scott, indicate their desire to work cooperatively in fighting arson. While the City does not currently have the luxury of permanently assigning a police officer to the Fire Department's Arson Unit, Chief Paolillo will appointed an individual from the Police Department (after conferring with Chief Scott) who will receive special training in arson investigation and will be designated to be the arson investigator. As a result, there will be a permanent assignment of police personnel to work with the Fire Department's Arson Unit, but on an as needed basis.

Very truly yours,

Robert W. Healy
City Manager
