Acts and Resolves

PAUL GUZZI, Secretary of the Commonwealth

Chap. 377. AN ACT FURTHER REGULATING THE GRANTING OF SEASONAL LICENSES FOR THE SALE OF ALCOHOLIC BEVERAGES TO BE DRUNK ON THE PREMISES.

Whereas, The deferred operation of this act would tend to defeat its purpose which is to provide forthwith for the more equitable distribution of certain alcoholic beverage licenses in resort areas of the commonwealth, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted, etc., as follows:

SECTION 1. Section 17 of chapter 138 of the General Laws is hereby amended by striking out the fifth paragraph, as most recently amended by chapter 453 of the acts of 1970, and inserting in place thereof the following paragraph:-

The local licensing authorities of any city or town, except the city of Boston, may make an estimate prior to March the first in any year of any temporary increased resident population in such city or town as of July the tenth following, and one additional license under section fifteen, to be effective from April the first to November the thirtieth only, may be granted by said authorities for each unit of five thousand or additional fraction thereof of such population as so estimated, and the local licensing authorities of any city or town in Berkshire county, in which the city council, in accordance with the provisions of its charter, or the town, at an annual or special town meeting, votes to authorize such authority to grant winter seasonal licenses, or of any town in Franklin county, may make an estimate not later than October the fifteenth in any year of any temporary increased resident population in such city or town as of February the tenth following, and one additional license under section fifteen, to be effective from December the first to April the first of the year following, may be granted by said authorities for each unit of five thousand or additional fraction thereof of such population as so estimated; provided, that not more than one additional license shall be granted under this paragraph to the same

person or for the same premises in any one year; and provided, further, that the local licensing authorities of any city or town, except the city of Boston, may grant, in addition to and irrespective of any limitation of the number of licenses contained in this section, seasonal licenses under section twelve, to be effective from April first to January fifteenth of the following *change* year, or any portion thereof, and in any city or town in Berkshire county in which the granting of winter seasonal licenses is authorized as above provided, and in any town in Franklin county seasonal licenses under section twelve, to be effective from December the first to April the first, to the amount or number that such authorities deem to be in the public interest. Every estimate hereunder of temporary resident population shall be made and voted upon by the local licensing authorities at a meeting of said authorities called for the purpose after due notice to each of the members thereof of the time, place and purpose of said meeting and after investigation and ascertainment by them of all the facts and after co-operative discussion and deliberation. A copy of such an estimate, signed by a majority of the members of said authorities, stating under the penalties of perjury that all the foregoing requirements have been complied with and that the estimate is true to the best of their knowledge and belief, shall be forwarded forthwith to the commission. Upon the petition of twenty-five persons who are taxpayers of the city or town in which a seasonal license has been so granted, or who are registered voters in the voting precinct or district wherein the licensed premises are situated, filed within five days after the granting of such license, the commission shall, and upon its own initiative at any time may, after a hearing, examine and review any estimate made or action taken by the local licensing authorities in granting the same, and after such examination or review, may rescind, revoke, cancel, modify or suspend any such estimate or action. Nothing in this paragraph shall be deemed to authorize or permit the commission to deny a renewal of, or to rescind, revoke or cancel, because of a decrease in population, any seasonal license outstanding and in full force on April thirtieth, nineteen hundred and fifty.

SECTION 2. Said chapter 138 is hereby further amended by adding after said section 17, the following section:-

Section 17A. The local licensing authority of a city or town which granted seasonal licenses under section twelve prior to January the first, nineteen hundred and seventy-eight, and which accepts this section by majority vote of a town meeting if a town, or by majority of the city council if a

city, is hereby authorized to grant, in addition to, and irrespective of any limitation of number of licenses contained in section seventeen, but subject to all other provisions of this chapter, additional licenses under section twelve.
