Dear City Councillors:

On behalf of the Graham & Parks Neighborhood Council, I want to urge you to support Councillor Born's recent resolution calling for assistants for community schools. As Councillor Born pointed out, individual community school coordinators juggle multiple tasks in ongoing attempts to serve wide and diverse constituencies. In recent years, they have taken on a number of new initiatives, particularly regarding neighborhood safety and food programs, without any additional assistance.

I am aware that Councillor Born's resolution passed, but we all know that actually getting the funds for community school assistants is more than a matter of just voting "yes." I hope we can count on the City Council to do whatever is required to make community school assistants a reality in the near future.

Sincerely;

Carolyn Shipley
Chairperson
