Subject: Council Order
Sidewalk on Wood Street

I have inspected the sidewalk on Wood Street as requested, and report as follows:

The right side of Wood Street from Walden Street needs approximately 400 ft. of curbstone and a new sidewalk. The left side needs minor repairs to the concrete sidewalk.

This project was not included on the priority list of Block Grant Streets and Sidewalks to be repaired. However, I will try to include it in the next list of streets and sidewalks to be repaired.
