City Manager

September 20, 1976

To the Honorable, the City Council:

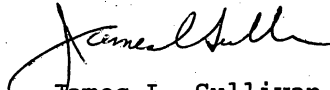

Enclosed for your information and further use as a resource document is a copy of the Notice of Sale calling for bids on sewer/surface drainage and equipment bonds. Approximately 550 copies of this document have been sent to the major financial institutions throughout the country. Concurrently, we have requested a Moody's rating on this bond sale.

The Notice of Sale represents a major effort by the City to present the investment community with a comprehensive disclosure statement about Cambridge.

The document also reflects the results, thus far, of our two-year effort to reorganize and upgrade the City's management and fiscal practices.

I feel that you will find this an interesting and attractive product.

Very truly yours,

James L. Sullivan
City Manager
