RE: Special Committee to Work on Municipal Facilities Master Plan

At our meeting of September 18, 2000 I was authorized to appoint a Special Committee to work on a Municipal Facilities Master Plan. I am happy to appoint Vice Mayor Maher as Chair of the Special Committee to work on a Municipal Facilities Master Plan. I am also happy to appoint Councillors Born, Reeves, and Sullivan to serve as members of this committee. It is my hope that this Committee can work with the City Administration around the issue of long-term facility planning.
