Honorable Members;

We are requesting permission to address the City Council for ten minutes on Monday, June 24, 1985. We would like to present our scale model of the Neighborhood Plan for the Simplex area.

For six months we have been preparing a model to further detail the vision that we have been trying to present ever since the Cambridgeport neighborhood voted for the Neighborhood Planning Process priorities for the Simplex land in 1974. We feel that this presentation will eventually help bring about a resolution of this long conflict.

Thank you for your consideration.
