

City of Cambridge.

IN BOARD OF ALDERMEN,

December 18th, 1894.

Ordered,

That permission be granted to the East Cambridge Five Cents Savings Bank, to construct and maintain an Ash lift and Coal chute in the sidewalk in front of its new bank building on Cambridge street between Third and Fourth streets.

Said Ash lift to be of the most approved pattern with all necessary safe guards, and so constructed as to avoid danger therefrom.

The permission shall be subject to the following conditions viz:-

1st.-The petitioner shall give a bond which shall be satisfactory to the Mayor in the sum of Five Thousand Dollars to save the City harmless from any liability on the part of said City by reason of the construction and maintenance of said Ash-lift and said Coal chute.

2.-The entire construction of said Ash lift and said Coal chute shall be satisfactory to the Superintendent of Streets and the City Engineer.

City of Cambridge.

IN BOARD OF ALDERMEN,

December 18th, 1894.

Ordered,

That permission be granted to the Boston and Maine Railroad Company to dig a trench, not more than two feet wide, and two feet deep, across Prison Point street between Bridge street and the freight tracks of the Boston and Lowell Railroad, for the purpose of running a two inch air pipe for carrying compressed air to a blacksmiths' forge from a blower in said company's machine shop.

This permission to be subject to the following conditions, viz:-

1st.-The petitioner shall give a bond which shall be satisfactory to the Mayor, in the sum of Five Thousand Dollars to save the City harmless from any liability on the part of said City by the reason of the laying and maintenance of said pipe.

2nd.-The petitioner shall file a plan with the City Clerk showing the location of said pipe.

3rd.-The work and material shall be satisfactory to the Superintendent of Streets and City Engineer and shall be approved by them.

4th.-Said pipe shall be removed at any time when so ordered by the Board of Aldermen.

Order

granting permission to
the Boston and Maine R.R.
to lay a two inch pipe
across Prison Point street

Dec 18. 1898

December 18th,

Cambridge, November 7, 1894

*To the Honorable, the Board of Aldermen
of the City of Cambridge:*

The undersigned respectfully pray that they may be permitted to dig a trench across Prison Point St. between Bridge St. and the freight tracks on the Boston & Lowell R.R. for the purpose of running a 2" air pipe for carrying compressed air to a blacksmith's forge from a blower in our machine shop. Said trench to be not over two feet wide and two feet deep.

CITY CLERK.
City Clerk.

Cambridge, Nov. 6 1894

To the Honorable, the Board of Aldermen
of the City of Cambridge:

The undersigned respectfully prays

that it be granted the privilege of constructing and
maintaining an ash lift and coal chute in the sidewalk
in front of its new bank building on Cambridge St.,
between Third and Fourth Streets, East Cambridge.

The ash lift will be of most approved pattern, with
all necessary safe-guards, and will be so constructed
as to remove all danger of injury to persons.

Yrs. respt.
