Ms. D. Margaret Drury
City Clerk
Cambridge City Hall
795 Mass Avenue
Cambridge, MA 02139

Dear Ms. Drury:

We would like to take this opportunity to express our strong support of the Community Oriented Policing Initiative Dedicated Team program as proposed by Councilor Mike Sullivan. This program would be an invaluable asset to the community for several obvious reasons. The increased police presence aside, having a community educated liaison available for support on issues such as ongoing crime prevention awareness as well as recent activities and trends, can only lead to decreased criminal activity.

Additionally, as we understand, the program structure would provide direction and support for the community, regarding interaction with all City of Cambridge officials and agencies. Once again, based on the aforementioned positives, the CambridgeSide Galleria is greatly in favor of the proposed program becoming a reality in the near future.

Sincerely,
