

Cambridge, November 20 1997

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

For an opportunity to request that the Council grant me special consideration for Network Health. I am currently uninsured, but do not qualify for the Programme as I am writing a PhD Dissertation at Boston University, this makes me a full time student. I wish for an opportunity to explain the full details of my situation to the council.

Respectfully,
James Igoe
