INTEROFFICE CORRESPONDENCE

To Mr. Charles F. Sprague
Building Commissioner

Date November 28, 1978

From Mr. Joseph Cellucci J.C.
Building Inspector

Reference

Subject Harvard University - dormitories

Dear Mr. Sprague:

On November 15, 1978 I met with representatives of Harvard University. At this meeting we discussed the complaint of over-crowding of sleeping rooms.

We reviewed the requirements of the Massachusetts State Building Code in regards to this use.

Ms. Ann Spence, Assistant Dean of Students, turned over to me a list that indicates the number of students assigned to each room in various dormitories. As far as I can determine from this list and floor plans supplied, I see no problems.

The Harvard University Planning Division is going to make a complete evaluation of all the dormitories concerned and submit a report of their findings to the Building Department. If corrections are found to be necessary, they will be instituted.
