JAMES L. SULLIVAN
City Manager

June 5, 1978

To the Honorable, the City Council:

As we approach the close of the fiscal year there may be some instances where unanticipated, but necessary, transfers will be needed to maintain appropriation controls. The last two years in recognition of this, the Council authorized the City Manager to make administrative transfers from allotments with available balances to those needing supplementation to process year-end bills. Passage of the attached order will permit this same activity to occur this year.

Very truly yours,

James L. Sullivan
