City of Cambridge.

In Board of Aldermen, June 29th 1860

The Standing Committee on
Roads & Bridges

To which was referred the petition
of Seander M. Hannum, praying
that a brick side walk be constructed
on the West side of Magazine St.,
from Main to Willow Streets, having con-
sidered the petition, would respectfully
Report

that in consideration of the great
unanimity of the abutters as indicated by
the petition, & that this in connection with
the Brick sidewalk recently constructed
on Prospect Street will form one continuous
line of Brick sidewalk, entirely across this
much traveled part of the City, your
Committee recommend that the prayer
of the petitioners be granted, & the usual
order of notice issued to the abutters.
